- A comprehensive conference program will support the trade show

### **transport logistics Americas premieres in November in Miami, FL!**

The transport logistic brand name is well-known around the world for quality and competence. The biennial trade show in Munich, has been around for many years and

has developed into the world's largest multi-modal logistics hub. With over 2,300 exhibitors and more than 72,000 trade visitors, transport logistic is the largest of its

kind. With international shows in China, India, Africa and Turkey, tl has now expanded to every continent with the premiere of the tl Americas trade show in November 2020. tl Americas will take place with the Air Cargo Forum November

10 – 12, 2020 in Miami Beach, FL.

tl Americas expects to establish connections to Latin America as well as other continents around the world. It is our goal to be the largest multi modal trade show in

the Americas by the year 2024. Products at tl Americas include: IT, e-commerce, freight transport and logistic systems, cargo shippers, ports, customs brokers, warehousing and much, much more.

There are 3 options of participation: A completely furnished and constructed stand with

each 10 x 10 and 10 x 20 booth. For booths over 200 square feet, exhibitors can choose

to have their own booth construction. Each exhibitor will also have the option to present their products or services with a 60 minute panel.
